Dear Mr. Hullinger:

On November 15, 1991 a field inspection was conducted by Maria Soriano and Steve Brooks on the limestone quarry for your mining notice U27-89-10N, located on the Boulter Springs area in T. 9 S., R. 4 W., section 35.

Trash and drum with hydraulic oil were removed from the site as requested in the letter sent on August 27, 1990. You are released from any additional responsibilities on this project and the case is closed. No additional disturbance is permitted.

Thank you for your cooperation. If you have any questions, please contact Maria Soriano or Steve Brooks at 977-4300.

Sincerely,

HOWARD HEDRICK
